EXHIBIT NUMBER 50-289  
PAGE 3 OF 11 PAGES

Dear Judges Edles, Buck and Kohl:

Please be advised that TMIA was unable to present a full discussion on a number of issues in this brief due to severe time constraints. Thus, we have not used the full 100 pages which we had requested pursuant to our supplemental motion for waiver of page limitation.

We expect that upon reviewing the record in this case, the Appeal Board will consider all issues previously raised by TMIA in these proceedings, despite the fact that they may not be fully briefed in the attached document.

Respectfully,

*Louise Bradford*
