

APR 05 1994

Docket No. 50-243

Professor Arthur G. Johnson, Director  
Oregon State University  
Radiation Center, A100  
Corvallis, Oregon 97331-5903

Dear Professor Johnson:

SUBJECT: TRANSMITTAL OF OPERATOR/SENIOR OPERATOR LICENSE CERTIFICATES

I am pleased to forward the enclosed certificates to the following newly licensed individuals at Oregon State University.

| <u>NAME</u>          | <u>TYPE OF LICENSE</u> |
|----------------------|------------------------|
| Steven Patrick Smith | SRO                    |
| Jung Soo Bae         | RO                     |

The Commission provides these certificates, suitable for framing, to all new operator and senior operator licensees in recognition of the important role licensed operators fulfill in protecting the health and safety of the public, and of the achievement represented by meeting all the NRC requirements for these licenses. These certificates are in addition to the actual license, which is issued, and later renewed, as a letter.

Chairman Selin, the Commissioners, Mr. Russell and I request that you convey our personal congratulations to each of the recipients of these certificates.

If you have any questions, please contact Robert M. Gallo at (301) 504-1031.

Sincerely,

Bruce A. Boger, Director  
Division of Reactor Controls  
and Human Factors  
Office of Nuclear Reactor Regulation
