Dear Mr. Sargent:

In the preparation of an environmental assessment for the remediation of the Harvard Avenue and Bert Avenue sites in Newburgh Heights, Ohio, I will need to address the historic preservation aspects of the sites. I recently requested information from the Ohio Historic Preservation Office and received the enclosed letter requesting more information. I would appreciate it if you would provide items 2 and 3 in their letter. Information you provided previously in the remediation plan should address the other items. I would appreciate receiving the above information by April 8, 1994.

If you have any questions, please contact me at 301-504-3603.

Sincerely,

151
