Dear Mr. Bailey:

This is in response to your March 11, 1994 request for information regarding the NRC review of the California sealed source and device regulatory program. In your request, you raised a number of questions. The responses to your questions are enclosed. (Please see Enclosure 1) In addition, we have enclosed a number of reference documents which provide background information on performing sealed source and device reviews. (Please see Enclosure 2)

If you any questions or any additional information pertaining to this review, please do not hesitate to give me a call. I can be reached at 301-504-3340.

Sincerely,
Original Signed By
