SUBJ: Qualifications of Dr. Floyd H. Tuley, Materials License 42-00220-08

1. We recently requested the addition of Dr. Floyd H. Tuley as a teletherapy physicist on Materials License 42-00220-08. In order to expedite consideration of that request, additional information on Dr. Tuley's qualification is being supplied.
2. Dr. Tuley received his Ph.D. in physics in 1972. After working as a research physicist from 1972 - 1981, he entered a two-year medical physics internship at the University of Texas M.D. Anderson Hospital and Tumor Institute. During this time he received training in radiological physics as well as supervised work experience in all aspects of teletherapy physics. Since 1983, he has worked in the field of radiation oncology physics.
3. We trust this will supply sufficient information to approve Dr. Tuley. As a matter of information, the phone number for Helen Malaskiewicz at VA Central Office is FTS 373-3195.

SUBJ: Amendment Request for Materials License 42-00220-08

1. Please amend Materials License 42-00220-08 to designate Rebecca Middleton, Ph.D. as teletherapy physicist in addition to Dr. Huddleston. Dr. Middleton is certified by the American Board of Radiology in Therapeutic Radiological Physics and she is the teletherapy physicist for the Medical City Hospital in Dallas.
2. Please designate Floyd H. Tuley, Ph.D. as alternate teletherapy physicist for this license. Dr. Tuley received his Ph.D. in physics from the University of Texas. He has been RSO and teletherapy physicist at the Vannie E. Cook, Jr. Cancer Center in McAllen, Texas and Memorial Southwest Hospital in Houston. He was also teletherapy physicist at Temple University Hospital in Philadelphia.
3. Please designate Jeffrey G. Triebel as Radiation Safety Officer for the license. Mr. Triebel is also the RSO for Materials License 42-00220-06.
4. We received verbal approval for these changes on June 29, 1990 from Ms. Helen Malaskiewicz at the Department of Veterans Affairs Central Office. Thank you for your consideration of these requests.
