Re: University of South Dakota School of Medicine  
License #40-02331-19, Control #46-2997

Dear Ms. Campbell:

This is to state the intent of the University of South Dakota to provide financial responsibility for decommissioning the facilities operated in accordance with the above referenced license. Funds for decommissioning are appropriated by the legislature and approved by the Board of Regents, the governing body for higher education in South Dakota. The University of South Dakota will as necessary provide \$150,000.00 in accordance with 30.35(d) CFR Part 30.

The University of South Dakota will request and obtain funds sufficient in advance of decommissioning to prevent delay of required activities. I am authorized to execute this statement on behalf of the University of South Dakota as its chief executive officer. The information has been communicated to the Board of Regents.

Sincerely,

Betty Turner Asher  
President
