Docket No. 030-10713
EA 90-172

Dear Mr. Parks:

This refers to the Enforcement Conference conducted by me and other members of the Region III staff on October 22, 1990. The Enforcement Conference pertained to the results of the September 27, 1990, special inspection conducted at your facility in response to a diagnostic misadministration involving approximately 175 millicuries of a technetium-99m radiopharmaceutical, which occurred on September 22, 1990. A report of the Enforcement Conference is enclosed. A response to this report is not required.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosures will be placed in the NRC Public Document Room.

We will gladly discuss any questions you have concerning these matters.

Sincerely,

C. E. Norelius, Director
Division of Radiation Safety
and Safeguards
