Docket No. 50-228

Aerotest Operations Incorporated  
3455 Fostoria Way  
San Ramon, California 94583

Attention: Mr. R. Newacheck  
President

Gentlemen:

Subject: NRC Inspection of Aerotest Research Reactor

This refers to the routine inspection conducted by Mr. M. Cillis of this office on August 30 and September 2, 1982, of activities authorized by NRC License No. R-98, and to the discussion of our findings held by Mr. Cillis with Mr. Newacheck and other members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

No items of noncompliance with NRC requirements were identified within the scope of this inspection.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).
