Dear Sirs:

Please be advised that I am terminating my NRC Materials License #29-20839-01 (expires 6/30/90). I no longer have possession of the ND1100 Bone Mineral Analyzer or the I-125 source used therewith. The ND100 and I-125 source were transferred to Osteoscan Affiliates (NRC License #29-27856-01, expires 7/31/91) in 1987. The I-125 source was returned by Osteoscan Affiliates to AECL for disposal at the end of its useful life.

Sincerely,

Constance G. Alfano, M.D.
