Dear Mr. Baietti:

Subject: Formerly Licensed Sites

Thank you for the copies of the documents concerning License No. SNM-6 which you recently sent to us.

These documents and our discussions with you contributed information to the NRC's ongoing program to determine that formerly licensed sites meet current criteria for release for unrestricted use. From our review of this information it appears the former ICN site at Skyview Terrace, Route 885, Holmshad, Pennsylvania meets current criteria for release for unrestricted use.
