Dear Mr. Tourigny:

I have on several occasions attempted to return your telephone call about my status on your mailing list for the Fort Calhoun Facility of the Omaha Public Power District. I had originally been placed on your mailing list because of my involvement with Fort Calhoun through the Metropolitan Area Planning Authority, but I no longer have the same position with MAPA that I previously held. Accordingly, I herewith request that my name be deleted from your mailing list and that all further mailings previously sent to me be sent instead to the Metropolitan Planning Agency, 7000 West Center Road, Omaha, Nebraska 68107, Attn: Dagnia Prieditis.

Very truly yours,

Alan H. Kirshen
