Dear Mr. ~~Petersen~~:

Thank you for your letter of October 29, 1990, inviting me to visit the Fort Calhoun Station. I was pleased to note both the progress the Omaha Public Power District has made in implementing the Safety Enhancement Program and the sense of accomplishment that you conveyed in your letter.

I accept your invitation and am currently planning to visit the Fort Calhoun Station in May 1991. During this visit, I would be most interested in hearing more about your Safety Enhancement Program. NRC's Region IV office will be contacting your office early next year to coordinate the visit.

Sincerely,

Kenneth M. Carr
