Docket No. 50-523

Arizona Public Service Company
P. O. Box 21666
Phoenix, Arizona 85036

Attention: Mr. G. C. Andognini
Vice President, Electric Operations

Gentlemen:

Subject: NRC Inspection - Palo Verde Unit 1

This refers to the routine, monthly inspection conducted by Messrs. G. Fiorelli and G. Johnston of this office on August 23 - September 17, 1982, of activities authorized by NRC Construction Permit No. CPPR-141 and to the discussion of their findings with you at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

No items of noncompliance with NRC requirements were identified within the scope of this inspection.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).
