In the Matter of
AMERICAN RADIOLABELED CHEMICALS, INC.
(ByProduct Materials License No. 24-21362-01)
Docket No. 030-20567 - EA

Dear Administrative Judges:

I am forwarding to you copies of the license renewal for American Radiolabeled Chemicals, Inc. (ARC) issued on September 13, 1990 along with the cover letter rescinding the January 11, 1990 Order suspending the ARC license. There was no settlement agreement between ARC and Staff as stated in your October 30, 1990 Memorandum and Order so that such cannot be submitted to you. It was my understanding that the "Memorandum For Dismissal" filed by ARC on October 16, 1990 was in essence a withdrawal of its request for hearing, which had been held in abeyance at ARC's request pending discussions with Staff, and which, having been withdrawn, made null and void, the Order granting hearing.

Sincerely,

Colleen P. Woodhead
Counsel for NRC
