Docket No. 50-315  
Docket No. 50-316

Indiana and Michigan Electric Company  
ATTN: Mr. John E. Dolan, Vice President  
Post Office Box 18  
Bowling Green Station  
New York, New York, 10004

Gentlemen:

This refers to the special team inspection conducted by Mr. J. A. Grobe of this office, Messrs. J. C. Stone and C. J. Haughney of the Office of Inspection and Enforcement, and Messrs. T. L. Chan and R. Eberly of the Office of Nuclear Reactor Regulation on April 12 through 16, May 14 and June 10, 1982 of the activities at Donald C. Cook Nuclear Plant, Units 1 and 2, authorized by NRC Operating Licenses No. DPR-58 and No. DPR-74 and to the discussion of our findings with Mr. W. G. Smith, Jr. at the conclusion of the inspection. The report setting forth the results of this inspection is enclosed.

This inspection resulted in the identification of many deficiencies in your implementation of the requirements of 10 CFR 50.48 and Appendix R to 10 CFR 50. In addition, this inspection disclosed certain inaccurate statements made by you concerning compliance with those requirements. This matter has been referred to our Office of Investigation for review and an investigation of the circumstances surrounding these statements is in progress. Appropriate enforcement action for these inspection findings and the findings of the on-going investigation will be taken at the conclusion of the investigation. Correspondence relating to this matter will be provided to you at a later date and no response from you concerning this report is required at this time.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within ten (10) days from the date of this letter of your intention to file a request for withholding; and (b) submit within twenty-five (25) days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than seven (7) days are available for your review,

please notify this office promptly so that a new due date may be established. Consistent with Section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons which are the bases for the claim that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, a copy of this letter and the enclosed inspection report will be placed in the Public Document Room.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

"Original Signed by C.E. Norelius"

C. E. Norelius, Director  
Division of Engineering and  
Technical Programs
