Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 47-17564-01/94-01

Thank you for your response of March 23, 1994, to our Notice of Violation, issued on February 24, 1994, concerning activities conducted under NRC License No. 47-17564-01. We have examined your response and found that it meets the requirements of 10 CFR 2.201.

Regarding Item C., your response did not address which documents had been posted. In a telephone conversation on March 31, 1994 between Tony Altieri of your staff and Jeffrey Mumper of my staff, Mr. Altieri indicated that NRC Form-3 was posted and a statement included to indicate where 10 CFR Parts 19, 20, 21, the license and supporting documentation could be examined.

We will examine the implementation of your corrective actions during future inspections. We appreciate your cooperation in this matter.

Sincerely,
