Gentlemen:

INSERVICE INSPECTION ACTIVITIES
THIRD REFUELING OUTAGE
HOPE CREEK GENERATING STATION
DOCKET NO. 50-354

Public Service Electric & Gas Company (PSE&G) hereby submits a summary of the inspections and tests to be performed by the Hope Creek Inservice Inspection group during the Third Refueling Outage. Included is an approximate schedule for these activities.

The activities are in accordance with the Hope Creek Long Term Plan for the first examination of the second period.

Attachment 1 contains the summary of examinations. Attachment 2 contains the approximate schedule.

Should there be any questions with regard to this submittal, please do not hesitate to contact us.

Sincerely,
