Dear Mr. Haass

10CFR50 Appendix B. Q.A. Program

We have been advised that you follow the US Owners Group Business for standby Class 1E Diesel Engines and Generators. We felt that the attached letters, recently sent to operational U.S. nuclear sites using our Generators, would be of interest to you.

We believe the contents are self explanatory. We trust this will be of assistance to you.

Your sincerely,

Ron B. Politi
