

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

SEP 7 1982

Parameter, Inc.  
ATTN: Mr. Richard A. Lofy, President  
13545 Watertown Plank Road  
Elm Grove, WI 53122

Gentlemen:

Subject: Contract No. NRC-05-82-249, Task Order No. 25

Pursuant to the pertinent contract provisions and your telecon of September 3, 1982 with Sharon Wollett of this office, I hereby authorize the expenditure of funds currently obligated under this contract for the following task:

<u>Task No.</u>	<u>Task Description</u>	<u>Not to Exceed Amount</u>
25	Technical Assistance in Independent Metallurgical Investigation of Causes of Swing-Check Value Failures in Emergency Diesel Generator Cooling Water Piping Systems (DGCWP)	\$5,500.00

If you believe that the total ceiling price is inadequate for the purpose of this task order, you must so notify me within ten (10) business days after receipt. Said notification shall contain your estimate of the required total ceiling cost for the respective task. Within ten (10) business days after receipt of such notification, the Contracting Officer shall either ratify the total ceiling cost or adopt the proposed revised estimate or some combination of the two and revise or confirm the task order accordingly.
