SUBJECT: Quad Cities Station Procedure Revisions

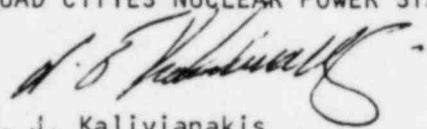

Dear Mr. Denton,

To insure all manual holders of Quad Cities Station procedures have the most up to date revisions to all procedures, the manual holder is required to sign and return the revision cover sheet to the Office Supervisor, Quad Cities Station. This allows us to close out our records and also verifies that the manual holder did in fact receive the revision.

To date, we have received no signed revision cover sheets acknowledging receipt of these revisions for your manuals, numbers 37 through 46. Attached is a checklist of procedures and their latest revision. In order to update our records and to verify that you have the latest revisions for all procedures in your manuals, please complete the checklist and return to the Procedures Coordinator, Quad Cities Station.

Very Truly Yours,

COMMONWEALTH EDISON COMPANY
QUAD CITIES NUCLEAR POWER STATION
