Docket Number 50-123

Dear Sirs:

Enclosed please find Revision 3 of the University of Missouri-Rolla Reactor Facility "Physical Security Plan for Non-Power Nuclear Reactor". Revision 3 incorporates changes in Table 1 on page 14 and text revision in the third paragraph of page 15.

We hope this satisfies your information needs. Please contact me at (314)341-4236 if you need additional information.

Sincerely,
David W. Freeman
David W. Freeman
Reactor Manager
