Mr. Trisha Dedik  
 Director  
 Export Control Operations Division  
 Office of Export Control  
 and International Safeguards  
 Department of Energy  
 Washington, D. C., 20585, USA

April 7, 1994

Dear Mr. Dedik :

With reference to your letter of March 10, 1994 addressed to Mr. Hai Sool CHIN (Former Science Attache of Embassy of Korea in Washington, D. C.). I hereby assure you that the Government of the Republic of Korea confirms the following particulars for the international transfer of low enriched uranium as identified on the application for license number XSNM 02793.

- (a) The transfer amount of 42,372Kg Uranium as Uranium Hexafluoride (UF<sub>6</sub>) will be subject to all the terms and conditions of the Agreement for Cooperation Concerning the Civil Uses of Atomic Energy between the Government of the United States and the Government of the Republic of Korea, as amended, which entered into force on March 10, 1973 ;
- (b) The Korea Electric Power Corporation, the ultimate consignee, as identified on the application, is authorized by the Government of the Republic of Korea to receive and possess the material.

If you have any questions or comments on this matter, please let us know.

Thank you for your continuing cooperation and assistance.

Sincerely yours,

Man-Ki LEE  
 Director  
 Atomic Energy International  
 Cooperation Division
