Gentlemen:

In the Matter of )  
Tennessee Valley Authority ) Docket Nos. 50-327  
50-328

SEQUOYAH NUCLEAR PLANT (SQN) - COST OF SUPPORT EXTENDED TO NRC

As requested by your letter to O. D. Kingsley, Jr., dated October 9, 1990, we have compiled the identifiable costs of support provided by TVA following the fire at the home of the former SQN Senior Resident Inspector. The only costs that could be quantified were those associated with the man-hours of the security officers involved. Those costs are as follows:

- 1. April 19, 1990: 16 man-hours @ \$17.31/hour = \$ 276.96
- 2. April 20, 1990: 48 man-hours @ \$15.29/hour = 733.92
- 3. April 21, 1990: 24 man-hours @ \$15.29/hour = 366.96
- Subtotal = \$1,377.84
- 4. TVA overheads: \$1,377.84 @ 21 percent = 289.35
- Total = \$1,667.19

If you have any questions concerning this issue, please telephone me at (615) 751-4776.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
