Docket No. 030-31765-EA

Dear Ms. Colkitt:

It has come to my attention that "NRC Staff Responses and Objections to Licnsee's Second Set of Interrogatories and Request For Production of Documents and NRC Staff Motion For Protective Order," dated March 31, 1994, contains an error on page 5. The Westlaw database the Staff refers to in its response to Interrogatory 5 was incorrectly identified as "NRC-NRCEA." The correct database is called "FEN-NRCEA." I apologize for any inconvenience this may have caused you.

Sincerely,

Catherine L. Marco
