 Development Corporation

 Tokyo, Japan 166

Dear Mr. Nakano:

As provided by Article 3.3 in the Agreement between the United States Nuclear Regulatory Commission and the Power Reactor and Nuclear Fuel Development Corporation on the Testing and Administration Program for Certifying Plutonium Air Transport Packages (the Agreement) and the discussions in Tokyo, Japan on October 18 and 19, 1990, concerning the scope of the feasibility study, enclosed is Appendix A, Revision 1 to the Agreement. As requested, Appendix A has been revised to place the emphasis on a controlled test independent of an airframe and for increased communication between our staffs.

This is also to request the first scheduled payment to conduct the feasibility study in the amount of \$500,000 as discussed in my letter of August 28, 1990. The payment should be made in United States dollars to the U.S. Nuclear Regulatory Commission. Please find enclosed the Procedures for Electronic Funds Transfer which provide instructions on the method of payment.

Sincerely,

Robert F. Burnett, Director  
 Division of Safeguards  
 and Transportation, NMSS

PROCEDURES FOR ELECTRONIC FUNDS TRANSFER

The U.S. Nuclear Regulatory Commission (NRC) has been informed by the U.S. Department of the Treasury (Treasury) that effective October 1, 1988, changes will affect our ability to receive funds through Fedwire Deposit System (FDS). The basic FDS wire message format will be changed to comply with the Federal Reserve Board's decision to implement a standard structured third party format for all Electronic Funds Transfer (EFT) messages. A sample of an EFT message to Treasury and a narrative description of each field follows:

Field	Content
1	<u>RECEIVER-DFI#</u> - The Treasury Department's ABA number for deposit messages is 021030004.
2	<u>TYPE-SUBTYPE-CD</u> - The type and subtype code will be provided by the sending bank.
3	<u>SENDER-DFI#</u> - This number will be provided by the sending bank.
4	<u>SENDER-REF#</u> - The sixteen character references number is inserted by the sending bank at its option.
5	<u>AMOUNT</u> - The transfer amount must be punctuated with commas and decimal point; use of the "\$" is optional. This item will be provided by the depositor.
6	<u>SENDER-DFI-NAME</u> - This information is automatically inserted by the Federal Reserve Bank.

- 7 RECEIVER-DFI-NAME - The Treasury Department's name for deposit messages is "TREAS NYC". This name should be entered by the sending bank.
- 8 PRODUCT CODE - A product code of "CTR" for customer transfer should be the first data in the RECEIVER - TEXT field. Other values may be entered, if appropriate, using the ABA's options. A slash must be entered after the product code.
- 9 AGENCY LOCATION CODE - THIS ITEM IS OF CRITICAL IMPORTANCE. IT MUST APPEAR ON THE FUNDS TRANSFER DEPOSIT MESSAGE IN THE PRECISE MANNER AS STATED TO ALLOW FOR THE AUTOMATED PROCESSING AND CLASSIFICATION OF THE FUNDS TRANSFER MESSAGE TO THE AGENCY LOCATION CODE OF THE APPROPRIATE AGENCY. The ALC identification sequence can, if necessary begin on one line and end on the next line; however, the field tag "BNF=" must be on one line and cannot contain any spaces. NRC's 8-digit ALC is:

BNF=/AC-31000001

THIRD PARTY INFORMATION - The Originator to Beneficiary Information field tag "OBI=" is used to signify the beginning of the free-form third party text. All other identifying information to enable the NRC to identify the deposit, e.g., NRC invoice number, description of fee - 10 CFR 171 annual fee, and plant name.

The optimum format for fields 7, 8, 9, and 10 using an 8-digit ALC is as follows:

TREAS NYC/CTR/BNF=/AC-31000001 OBI=

The optimum format, shown above, will allow 219 character positions of information following the "OBI=" indicator.

If the licensee's bank is not a member of the Federal Reserve System, the non-member bank must transfer the necessary information and funds to a member bank who then must transfer the information and funds to the local Federal Reserve Bank.

For transfer of funds from local Federal Reserve Banks to be recorded on the same day, the transfer must be received at the New York Federal Bank by 4 p.m., EST. Otherwise, the deposit will be recorded on the next working day.

If there are any questions, contact NRC Financial Operations Branch, Division of Accounting and Finance, tel: (301) 492-4200).
