RE: Interim Compliance Oversight Team

Dear Mr. Martin:

During a telephone conversation I had with Mr. A. Bill Beach of Region IV on December 4, we discussed the issue of terminating the involvement of General Atomics' Interim Compliance Oversight Team (ICOT) at the Sequoyah Facility. Mr. Beach believed that as soon as the new Sequoyah Oversight Team (SOT) was established onsite, the ICOT commitment could be terminated.

SOT coverage of the Sequoyah Facility was established on November 30. Therefore, I presently plan to terminate the ICOT's coverage as of December 8. Please contact me at 918/489-3206, or Lee Lacey at 918/489-3207, should you have any questions or comments with regard to this matter.

Sincerely,
