Dear Mr. Shelor:

SUBJECT: MINUTES FROM THE FEBRUARY 10, 1994, BURNUP CREDIT TECHNICAL EXCHANGE

I am enclosing the minutes from the February 10, 1994, technical exchange on burnup credit. The purpose of the exchange was for NRC to provide comments, observations, and questions for discussion concerning the information presented by DOE at the previous burnup credit technical exchange of November 30 - December 1, 1993.

At the close of the exchange, both NRC and DOE agreed to continue to meet for further technical exchanges on the burnup credit issues. DOE agreed to contact NRC to schedule the next technical exchange.

If you have any questions regarding the minutes, please contact Meg Lusardi of my staff at (301)504-2704.

Sincerely,
