~~Handwritten scribble~~

The attached Comanche Peak Training & Qualification Plan is part of th Site Plan but is not SAFEGUARDS and should be a part of the plan. So it needs to go through the docketing and distribution system.

Some of these plans can be non-safeguards if they keep that type of information out of them.

Any further questions give me a call.

SUBJECT: COMANCHE PEAK STEAM ELECTRIC STATION (CPSES)
DOCKET NOS. 50-445 AND 50-446
TRANSMITTAL OF THE CPSES SECURITY TRAINING
AND QUALIFICATION PLAN, REVISION 6

Gentlemen:

In accordance with 10CFR50.4, enclosed are four (4) copies of the CPSES Security Training and Qualification Plan, Revision 6 (Copy Nos. 13, 14, 15 and 16). Included with each Plan is a "Table of Changes" which lists the changes that were incorporated into Revision 6. Per 10CFR50.54(p)(2), an evaluation determined that these changes do not decrease the effectiveness of the security program. Also, as of this revision, the CPSES Security Training and Qualification Plan has been declassified as it contains no Safeguards Information as defined by 10CFR73.21.

Sincerely,

William J. Cahill, Jr.
