SUBJECT: Annual Emergency Exercise to be Conducted at the West Valley  
Demonstration Project (WVDP)

Dear Mr. Hurt:

As per our discussion on December 5, 1990, I have enclosed a copy of the scenario for the annual emergency exercise to be conducted at the WVDP on December 19, 1990. As tentatively discussed, we are planning to notify the Nuclear Regulatory Commission (NRC) Headquarters Emergency Operations Center (EOC) during the drill of the simulated occurrence.

If you or regional personnel wish to observe the exercise in person, please notify R. B. Provencher of my staff at FTS 473-4101.

Sincerely,

T. J. Rowland, Acting Director  
West Valley Project Office
