Gentlemen:

SUBJECT: INQUIRY NO. 90-001

This letter refers to a telephone inquiry between you and Steven Courtemanche of this office on October 29, 1990, regarding the pending transfer of licensed material and the pending expiration of your license on November 30, 1990.

From this discussion, it is our understanding that you will be renewing your license. It is also our understanding that you will be transferring licensed material to another authorized recipient in the future. Please make sure that the recipient's license authorizes them for the licensed material that you are transferring to them before you do so. When the transfer is completed, it is also our understanding that you will terminate your license. Enclosed for your use is a Certificate of Disposition of Materials (NRC Form-314). Please complete the form and return it with your request to terminate your license at that time. The renewal application and the request for termination of your license must be sent to the Region 1 Office at 475 Allendale Road, King of Prussia, Pennsylvania 19406. Please send the renewal request so that it is received prior to the expiration date on the license. If our understandings are incorrect, please inform us in writing.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. Should you have any questions concerning this inquiry, we will be pleased to discuss them with you.
