Maine Yankee Atomic Power Company  
ATTN: Mr. J. B. Randazza  
Vice President  
Nuclear Operations  
83 Edison Drive  
Augusta, Maine 04336

Gentlemen:

Subject: Inspection No. 50-309/82-12

This refers to the routine safety inspection conducted by Mr. Edward J. Wojnas of this office on July 26 - 30, 1982, at the Maine Yankee Atomic Power Station of activities authorized by NRC License No. DPR-36 and to discussions of our findings held by Mr. Wojnas with Mr. Wood and other members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the NRC Region I Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no violations were observed; however, it was noted that not all of the identified deficiencies were corrected by the dates indicated in your letter of March 29, 1982. Based on the telephone conversation with Mr. J. Garrity of your staff and Mr. E. Wojnas of this office on September 17, 1982, it is our understanding that the two outstanding Appendix A items will be corrected by the end of the current outage, which is scheduled to begin on September 29, 1982, and last eight weeks.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room, unless you notify this office by telephone within ten days of the date of this letter and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). The telephone notification of your intent to request withholding, or any request for an extension of the ten-day period which you believe necessary, should be made to the Supervisor, Files, Mail and Records, USNRC Region I, at (215) 337-5223.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:

James M. Allan  
Deputy Regional Administrator
