Dear Kevin:

The anticipated sale of Missouri Precision Castings (License No. 24-15152-01) as outlined in my letter dated 1-19-94 has been halted due to a problem in securing financing. Please consider the letter of 1-19-94 as no longer applicable.

At this time, two other parties are negotiating for purchase of this company. I will forward required information regarding this as soon as it is available.

Sincerely,

MISSOURI PRECISION CASTINGS
