United States Nuclear Regulatory Commission  
Director, Office of Nuclear Material Safety and Safeguards  
Washington, DC 20555

8 April 1994

Regarding: Quality Assurance Program Approval 0656

Docket Number: 71 - 0656

Sir;

This correspondence is being written as part of our response to a Notice of Violation provided by Region III of the Commission on 31 March 1994.

In a correspondence dated 24 March 1994, we requested authorization to use packages identified by the following USNRC Certificates of Compliance:

9032 Revision 4

9033 Revision 5

9035 Revision 9

9056 Revision 9

9157 Revision 5

At this time, we request an additional authorization to use the packages identified by the following USNRC Certificate of Compliance:

9156 Revision 4

As previously, we request you advise if this information must be added to our Quality Assurance Program manual, or of any other administrative measures that are necessary to achieve full compliance.

Yours truly,

*Gary Marquardt*
