---

Hi Robin,

As promised, the tech researched and we have more studies that we had in our system. Most we no longer do, however I am forwarding documentation to attest that any patients that were done in the past had an approved IRB as well as patient consent.

I have one more site I am waiting to hear back from.

RE - PET scan at Advanced Radiology

This memo has been generated to state that the above mentioned study's PET scan procedures were performed at Advanced Radiology in Trumbull, CT.

I can attest to the fact that our site is IRB approved to participate in this study and that our subjects have signed Informed Consent Forms.
