Hi Robin this is the last document. You now have all the study sites we work with regarding PET.

Can you confirm we will receive a certificate of sorts stating we are in compliance?

Once again thank Thank you for all your assistance .

Best,

Andrea

Re: PET Scan at AdRad

This memo states that the above study's PET scan procedures are performed at Advanced Radiology in Trumbull, CT. I can attest to the fact that our site is IRB approved to participate in this study and that our subjects have signed informed consent documents.
