## SUMMARY

### Scope:

This routine, unannounced inspection was conducted in the areas of Security Organization, Security Program Plans, Protected Area Detection Aids, Assessment Aids, Access Control - Personnel and Packages, Alarm Stations, Compensatory Measures, Records and Reports, Personnel Training and Qualification - General Requirements, and Protection of Safeguards Material.

### Results:

In the areas inspected, violations were not identified.

The licensee announced that on December 1, 1990, the security force will become a proprietary force. It was noted that the licensee had taken aggressive action to reduce long-term compensatory measures. Security equipment was found during testing to be fully operational.
