REPLY OF THE ROCKFORD LEAGUE OF WOMEN VOTERS TO  
THE NUCLEAR REGULATORY COMMISSION STAFF'S  
AMENDED FIRST REQUEST FOR PRODUCTION OF DOCUMENTS

Intervenor Rockford League of Women Voters ("League"), pursuant to 10 C.F.R. Sec. 2.741, herewith submits its reply to the Nuclear Regulatory Commission Staff's Amended First Request for Production of Documents.

CATEGORY 1

See the League's response to Interrogatories 3(a), 3(b) and 3(d) to Commonwealth Edison Co.'s ("CECO") Amended Second Round of Interrogatories. As noted in the League's answer to Interrogatory 3(d), all the relevant documents either have been previously furnished to the Staff or are in the public domain.

CATEGORY 2

See the League's response to Interrogatory 9(a) of CECO's Amended Second Round of Interrogatories. All relevant documents have either previously been furnished to the Staff or are in the public domain.

CATEGORY 3

See the League's response to Interrogatory 18(b) and 18(d) of CECO's Amended Second Round of Interrogatories. As stated in the answer to 18(d), these documents have either been furnished to the Staff or are in the public domain.

CATEGORY 4

A. The League has not yet determined who it will call as a witness at the hearing or to submit an Affidavit. Consequently, it is unclear what precise testimony will be offered, and therefore the League is unable to state with any particularity what documents may be relevant to our witnesses' testimony and Affidavits. It is likely that the League's witnesses may rely on any or all of the documents already identified in the League's responses to both rounds of interrogatories from CECO and the Staff's own interrogatories.

B. The same considerations as stated in subpart A above also apply to subpart B. At such time as the League is able to more specifically indicate what documents will be used as exhibits or for purposes of cross-examination, that information will be supplied to the Staff in a timely fashion.
