MEMORANDUM FOR: Parties to TMI-1 Restart Proceeding
FROM: Samuel J. Chilk, Secretary
SUBJECT: OCTOBER 14, 1982, COMMISSION MEETING ON WATER-LEVEL INDICATORS

On October 14, 1982, the Commission was briefed by its staff on the reactor vessel water-level indicator program. Since the Commission may take this material into consideration in reaching its decision whether or not to permit the restart of TMI-1, the transcript of the meeting is being distributed to the parties in that proceeding.

All parties are invited to comment on this material if they so desire. Comments should be submitted to reach the Commission by November 1, 1982.
