NRC-04-92-037 Modification No. 5 Page 2 of 2

The purpose of this modification is to obligate incremental funding in the amount of \$200,000, which thereby increases the obligated amount of this contract from \$400,000 to \$600,000. Accordingly, the contract is hereby modified as follows:

Under Section B.3., CONSIDERATION AND OBLIGATION—COST PLUS FIXED FEE (JUN 1988) ALTERNATE I (JUN 1991) paragraph c. is hereby deleted in their entirety and substituted with the following in lieu thereof:

"c. The amount presently obligated by the Government with respect to this contract is \$600,000."

A summary of obligations for this contract from award date through the date of this action is given below:

Total FY 92 obligations: \$200,000 Total FY 93 obligations: \$200,000 Total FY 94 obligations: \$200,000

Cumulative Total of NRC Obligations: \$600,000

This modification obligates additional FY94 funds in the amount of \$200,000.

All other terms and conditions of the contract, including the ceiling amount of \$1.234.542, remain unchanged.
