Dear Mr. Horejsi:

SUBJECT: NOTICE OF VIOLATION DATED FEBRUARY 1, 1994

This acknowledges receipt of your letters dated February 26 and March 29, 1994, in response to our letter dated February 1, 1994, transmitting a Notice of Violation.

We have reviewed your corrective actions, which appear to be adequate. Please be aware, however, that the steps you have taken to correct the items of noncompliance in the Notice of Violation and address our concern regarding management oversight of your radiation safety program are now commitments. Specifically you are now committed to performing quarterly audits and reporting the findings of those audits to the radio-isotope committee and you are committed to the provisions of the procedures submitted to us for review. Be advised that the corrective actions described in the aforementioned letters will be examined during a future inspection.

Sincerely,
