Commonwealth Edison Company
ATTN: Mr. K. Kaup
Site Vice President
Braidwood Station
RR #1, Box 84
Braceville, IL 60407

Dear Mr. Kaup:

This confirms our plans as discussed between Dr. R. B. Landsman of this office and Ms. Sara Reece-Koenig of your staff to hold a meeting beginning at 2:00 p.m. (CDT) on Thursday, April 28, 1994, at the U. S. Nuclear Regulatory Commission Region III Office, 801 Warrenville Road, Lisle, Illinois.

This meeting is an enforcement conference to discuss the failure to develop and implement surveillances to verify operability and to perform preventive maintenance to maintain operability of the control room ventilation dampers at the Braidwood Station.

Should you have any questions regarding this meeting, please contact Dr. R. B. Landsman of my staff at (708) 829-9609.

Sincerely,

(Signature) by E. G. Greenman

Edward G. Greenman, Director
