Gentlemen:

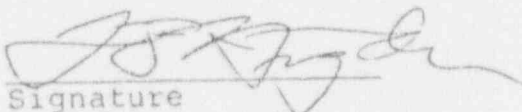

This letter is to inform you that we have returned
the following radioactive source to Measurex
Corporation, One Results Way, Cupertino, CA 95014:

Krypton 85, Model Kr 85E, serial numbers
187, 180, 156 and 178, containing one
Curie each.

This radioactive material was contained in gauges
manufactured by Measurex and shipped to us at an
earlier date. Measurex distributes equipment
containing radioactive materials under California
license GL 1856-43.

Very truly yours,

GEORGIA PACIFIC
