

JUL 13 1982

Mail Control No. 11584

Georgia-Pacific Corporation
ATTN: Gordon Harrison
Plant Manager
P. O. Box 185
Franklin, Ohio 45005

Gentlemen:

Your application dated May 20, 1982 for license renewal has been assigned for review.

Enclosed for your information is a copy of our guide describing the minimum information needed in applications for licenses to use byproduct material in the form of sealed sources in nonportable gauging devices. Additional information is needed in support of your application. We have checked the item(s) on Attachment 1 to this form letter which reference section(s) in the guide for which you should submit additional information.

We are using this form letter to enable us to process your application in a timely manner. Your cooperation in promptly submitting the requested information will also help us to decrease the process time for your application.

In providing the requested information, please reply in duplicate and reference your assigned mail control number.

If you have questions, please contact us at (312) 932-2625.

Sincerely,

J. R. Mullauer
Materials Licensing Section
