To Participants in the Diablo Canyon Proceedings

SUBJECT: COMMENTS ON STAFF BRIEFING

SERVED OCT 21 1982

The Commission held an open meeting on Wednesday, October 20, 1982 to receive the NRC staff's briefing on the proposed scope of Phase II of the Independent Design Verification Program (IDVP) for Diablo Canyon Nuclear Power Plant. The NRC staff, Pacific Gas and Electric Company, and participants in the IDVP had met in Bethesda, Maryland on Tuesday, October 19, 1982 to discuss the same subject. Copies of the transcripts of these two meetings and SECY-82-414, transmitting the staff recommendation presently before the Commission, are hereby provided for your information. Parties have been notified by the Office of the General Counsel of the opportunity to address the Commission in a meeting tentatively scheduled for Wednesday, November 10, 1982 in response to the staff briefing. We will inform you of the details regarding the upcoming meeting as soon as they are finalized.

Sincerely,

Samuel J. Chilk  
Secretary of the Commission
