Type Reactor) and Docket No. 30-6931 (Cobalt-
60 Storage Facility)

Dear Judge Hoyt:

Attached, with copies to all parties, is the proposed protective order which was mentioned at last Friday's prehearing conference in the above-captioned matter. Although you had requested it be submitted by noon yesterday (Monday), I was not able to reach Dr. Stillman to ascertain his current thoughts about this issue until this morning (Tuesday).

You also requested that I inform your office, and the other parties, as to the dates and times when I would be available to join in response to Mr. Rickard's invitation to tour the AFRRI facility. I will do so quite shortly; I expect to hear tomorrow morning from one of the scientists working with the Intervenor group as to whether he would find it useful to join us on that tour.

Thank you for your attention to these matters.

Respectfully submitted,

Laura Macklin
