To the NRC:

This note is my written request for an amendment to the Manchester College Materials License number 13-00267-04. We wish to obtain a Possession Only License (POL). We are capable of permanently ceasing licensed activities entirely by September 30, 1993.

We understand that "because nonprofit educational institutions are being billed for the first time for annual fees, they are being afforded the same opportunity to file requests for termination and avoid the FY 1993 annual fee as other licensees were given when annual fees were first assessed to them in FY 1991."

Thank you.

Sincerely,

Dwight B. Beery
