Gentlemen:

SUBJECT: REQUALIFICATION EXAMINATION REPORT

During September 10-19, 1990, Messrs. H. Peterson and M. Bielby administered requalification examinations to employees of your organization who operate your Quad Cities Nuclear Power Station. At the conclusion of the examination, any generic findings that evolved as a result of the examinations were discussed with those members of your staff identified in the enclosed report.

As a result of this evaluation, your requalification program it has been assigned an overall program rating of satisfactory in accordance with the criteria of NUREG-1021, ES 601. (For those individuals with unsatisfactory results, the facility should take corrective action as required by its approved requalification program.)

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosures will be placed in the NRC Public Document Room.

Should you have any questions concerning this examination, please contact us.

Sincerely,

ORIGINAL SIGNED BY THOMAS M. BURDICK
