Mr. James M. Taylor
Executive Director, Operations
Nuclear Regulatory Commission
Washington D.C. 20555-0001

Dear Mr. Taylor:

The University holds three NRC licenses; #21-00278-02, #21-00278-03 and #SNM-256. In response to your annual fee order, the following action effective August 19, 1993 was taken:

License 21-00278-03 and License SNM 256 are POL, and we will file by November 17, 1993 a request that License 21-00278-02 be granted a fee exemption.

The effect of the annual fee order will be to greatly reduce nuclear training and nuclear research opportunities for students.

Sincerely,

Donald A. Daavettila
