MEMORANDUM

DATE: August 31, 1982

TO: M. D. Vincelette, Vice President, Uranium & Mineral Operations

FROM: C. E. Baker, Manager, Regulatory Compliance

SUBJECT: Semi-annual Audit

The required semi-annual radiation safety audit was conducted at the White Mesa Mill on August 5, 1982. Noel Savignac, independent radiological consultant, participated in the audit as an unofficial member of the committee.

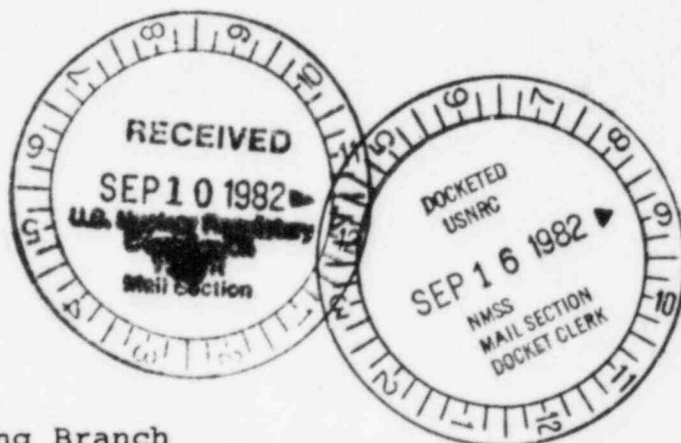

The attached audit report shows the radiation safety program is functioning well, with only minor procedural and book-keeping problems. By September 30, Bud Reaveau (RSO) will file a follow-up report on deficiencies noted during the audit.

There are no items in the report that require action from your office at this time.

C. E. Baker
