Dear Sir/Madam:

As indicated in the attached correspondence, the nuclear laboratory at Saint Peters College has not been in operation since 1985. Our licenses SNM-1959 and SUD-226 are in a "possession only" status awaiting approval for disposition of the nuclear material.

It is my understanding that as a result of this status our institution is exempt from payment of annual fees. If you wish any further information please contact me.

Yours truly,

James J. Grant, Ph.D.
Chair, Physics Department
